WHY SOLID WOOD?

SOLID WOOD

- Adds value to your investment.
- Easy to repair.
- Cheapest in the long run.
- Reduces heat gain.
- Can be restored to extend its lifespan.
- Durable and sustainable.

WPC

- Cannot be sanded frequently.
- Prone to color fading.
- Risk of delamination.
- Retains heat, reducing comfort.
- Expensive in the long run.

STANDARD SIZES

19mm x 90mm x 1200mm to 3600mm

21mm x 145mm x 1200mm to 3000mm
