BUILD GREEN.
BUILD RESPONSIBLY.

Timber products for more sustainable projects.

We work to source timber responsibly and help customers select suitable wood products for construction, interiors and fit-out. Product documentation and certification information are available where applicable.

RESPONSIBLE SOURCING

We aim to source timber from legal and responsible suppliers.

TRACEABILITY & DOCUMENTATION

Product documentation and chair-of-custody information available where applicable.

SUPPORT FOR LEED PROJECTS

Selected wood products may contribute to project documentation for LEED credits, subject to project requirements and applicable certification.
